SUBJECT: SUMMERSVILLE REGIONAL MEDICAL CENTER, ACCEPTANCE OF
NOTIFICATION OF TRANSFER OF CONTROL, MAIL CONTROL NO. 611667

Dear Ms. Bowling:

By the letter dated March 18, 2019, Summersville Regional Medical Center (SRMC) submitted to the U.S. Nuclear Regulatory Commission (NRC) a request for written consent to a license transfer of NRC Materials License No. 47-31126-01. Based on the information provided, the NRC understands that SRMC has entered into an agreement with the West Virginia Health Care Cooperative, Inc. (WVHCC). Effective July 1, 2019, WVHCC will assume operations of SRMC from Summersville Regional Medical Center Commission and lease the properties owned by the City of Summerville Building Commission. As a result of this transaction, the licensee's name will change to "The West Virginia Health Care Cooperative, Inc. d/b/a Summersville Regional Medical Center." We further understand that this transfer will not result in any changes to the licensed materials, persons using the licensed material, location of use, or persons responsible for the radiation safety program.

Based on the above understandings, as more fully detailed in the enclosed Safety Evaluation Report, which documents the NRC staff's review of the request, and in accordance with 10 CFR 30.34, the NRC consents to the transfer. Please note that you will need to notify us promptly, in writing, after the transaction has been finalized and include a signed copy of the sale agreement confirming completion of the transaction. With this information, we can issue an administrative amendment to your NRC license to reflect the transaction. Please notify the NRC in writing, if this planned sale has not been consummated within 30 days of the date of this letter, or this consent may be deemed null and void. If you have any questions regarding this letter, please contact Farrah Gaskins at (610) 337-5143 or via electronic mail at Farrah.Gaskins@nrc.gov.

Future changes in the licensee's name, licensed use, licensed materials, licensed location, or persons responsible for licensed material require submission of a request to amend the license. NRC approval must be received prior to implementation of the proposed change.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web Site at: <http://www.nrc.gov/reading-rm/adams.html>.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink, reading "Farrah C. Gaskins". The signature is fluid and cursive, with the first name "Farrah" being the most prominent part.
