**Subject: Draft Safety Evaluation for Proposed Amendment 48 to GESTAR II**

In Reference 1, the NRC provided a draft Safety Evaluation (SE) for the proposed GESTAR II Amendment 48 and requested that Global Nuclear Fuel - Americas LLC (GNF) identify any information that it considers proprietary and provide comments on factual errors or clarity concerns. GNF did not identify any proprietary information, factual errors, or clarity concerns in the Reference 1 draft SE.

If you have any questions, please contact me or Kent Halac at 910-819-5307.

Sincerely,

A handwritten signature in black ink, appearing to read 'B R Moore', is written over a light gray rectangular background.
