**SUBJECT: REQUEST FOR SUPPLEMENTAL INFORMATION FOR THE REVIEW OF THE  
MODEL NO. HI-STAR ATB 1T PACKAGE**

Dear Mr. Ngwayah:

By letter dated June 7, 2019, Holtec International submitted an application for Certificate of Compliance No. 9375, Revision No. 0, for the Model No. HI-STAR ATB 1T package. The staff performed an acceptance review of your application to determine if it contained sufficient technical information in scope and depth to allow the staff to complete a detailed technical review.

This letter is to advise you that the information needed to continue our review is described as request for supplemental information (RSI) in the enclosure to this letter. Addressing the RSI and the Observation does not preclude the staff from issuing further requests for additional information (RAIs) during the course of the detailed technical review of this application.

In order to schedule our technical review, your response should be provided by August 20, 2019. If the response is not received by this date, the application may not be accepted for review and the staff may discontinue any further review.

Please reference Docket No. 71-9375 and EPID L-2019-LRM-0006 in future correspondence related to this request. If you have any questions regarding this matter, I may be contacted at (301) 415-7505.

Sincerely,
