July 24, 2019

The Honorable Salud Carbajal  
United States House of Representatives  
Washington, DC 20515

Dear Congressman Carbajal:

This is to acknowledge receipt of your letter dated July 18, 2019, writing in support of the request for "specific exemptions" to allow PG&E to withdraw \$187.8 million from the Diablo Canyon Nuclear Decommissioning Trust to fund decommissioning planning activities to support direct transition to decommission upon permanent cessation of operations – provided it is consistent with current and future safety requirements.

Please be assured that we are working on a response, and a reply will be forwarded to you as soon as possible.

Sincerely,

/RA/

Eugene Dacus, Director  
Office of Congressional Affairs
