S. W. Shields
Vice President - Electric System

Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D. C. 20555

Docket Nos.: STN 50-546
50-547
Const. Permit Nos.: CPPR-170
CPPR-171

Marble Hill Nuclear Generating Station

Dear Mr. Denton:

Public Service Company of Indiana, Inc. (PSI) has recently made organizational changes to provide improvements in the overall management of its Marble Hill project. Appropriate NRC offices and personnel have been informed of these organizational changes. Because of those changes, we would like to request that you now address all official correspondence to:

Mr. S. W. Shields
Vice President - Electric System
Public Service Indiana
1000 East Main Street
Plainfield, Indiana 46168

Please continue to send copies of your correspondence to Mr. Voigt and Mr. Campbell as noted in our FSAR Application volume. All correspondence to the NRC from PSI will originate from this office. PSI will revise Chapter 13 of its FSAR and the Application volume to reflect this and other organizational changes in a future amendment.

Sincerely,

S. W. Shields
