Director of Nuclear Reactor Regulation
U S Nuclear Regulatory Commission
Washington, DC 20555

MONTICELLO NUCLEAR GENERATING PLANT
Docket No. 50-263 License No. DPR-22

Submission of the Monticello Security
Force Training & Qualification Plan

10CFR Section 73.55(b)(4) requires that licensees subject to the requirements of 10CFR Section 73.55 shall prepare and submit a Security Force Training & Qualifications Plan to the Commission, for approval, by 300 days after the effective date of the rule (August 18, 1979). Pursuant to 10CFR73.55(b)(4) attached are five copies of Revision 0 of the Monticello Security Force Training & Qualification Plan.

We conclude that the effectiveness of the Monticello Security Force Training & Qualification Plan would be adversely affected by the public disclosure of the Plan and that disclosure is not required in the public interest. We request that, pursuant to 10CFR Section 2.790(d)(1), it not be made available for inspection and not be placed in the Public Document Room.

L O Mayer, PE
Manager of Nuclear Support Services
