Re: Turkey Point Units 3 & 4
Docket Nos. 50-250 & 50-251
NRC Staff Review of Response to
IE Bulletins 79-06 and 79-06A

As the result of meetings held in response to your letter of May 22, 1979, Florida Power & Light Company has joined with other utilities in an owner's group. A report prepared by the owner's group was delivered to the NRC by Mr. D. B. Waters on June 29, 1979 under cover letter from Mr. Cordell Reed to Mr. D. F. Ross. This report was submitted in response to a request for information concerning postulated small break accidents, which was made by Mr. Ross to Mr. T. M. Anderson of Westinghouse on June 4, 1979. The subject report should be included on the Turkey Point Units 3 and 4 dockets.

Very truly yours,

Robert E. Uhrig
