Dear Mr. Licitra:

CALLAWAY PLANT SITE VISIT  
NRC CASE LOAD FORECAST PANEL

This confirms our verbal notification that Union Electric and other project personnel will be available for meetings with the Case Load Forecast Panel on November 27-28, 1979. As discussed in our telephone conversation on September 13, your delay of this site visit from the October 23-24 date previously scheduled will not impact timing of your acceptance review or establishment of the staff review schedule for the Callaway Plant Operating License application.

Very truly yours,

Donald F. Schnell  
Manager - Nuclear Engineering
