Dr. A. Thomas Clark
Fuel Reprocessing and Recycle Branch
Division of Fuel Cycle and Material Safety
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Dr. Clark:

Attached you will please find the final copy of my report titled
"Estimates of the Scope and Resources Needed to Perform Seismic Analyses
of Facilities at the Western New York State Nuclear Service Center." I
will be happy to discuss particular tasks with you or provide additional
information as you may require.

Sincerely,

Wayne A. Coffman
