Dear Sir:

Re: DOCKET # S-599  
S-600

Living within 50 miles of Savanna,  
Illinois, I would like the opportunity  
to state my position at the hearing  
that will be held for the construction  
permits and early site review of the  
proposed Carroll County nuclear power  
plant.

Thank you.

Respectfully,

*Paul A. Fuerst*
