*MC 4 8-28-79*

Mr. Abraham:

I am requesting a document under the Freedom of Information Act. It is a commission report of over-radiation of workers in 1974 at Rochester Gas & Electric Corp.'s Ginna plant. I understand from your inspector, John White, that the document number is 609-292- 2121.

The Democrat and Chronicle will pay copy fees.

Thank you,
