ATTENTION: Mr. James P. O'Reilly

Gentlemen:

Georgia Power Company hereby submits the following information in response to your letters of July 2, 1979, July 27, 1979 and August 15, 1979, which requested identification of certain items related to the verification of the seismic analyses performed for Plant Hatch Units 1 and 2. The inspections requested in items two and three of Bulletin 79-14 have been completed for all accessible and inaccessible safety related piping identified in our previous response dated August 1, 1979. No major items of nonconformance have been identified. The complete documentation package requested will be submitted by September 14, 1979 per telecon agreement with Mr. H. C. Dance, NRC Section Chief, Region II.

If you have any questions or comments in this regard, please contact my office.

Very truly yours,

W. A. Widner
