DOCKET NO. 50-466 CP
IN THE MATTER OF HOUSTON
LIGHTING & POWER CO. (ALLENS
CREEK NUCLEAR GENERATING
STATION, UNIT 1.)

PETITION FOR LEAVE TO INTERVENE

7-31-79

DEAR SIRs:

I WOULD LIKE TO PETITION TO INTERVENE AGAINST THE LICENSING OF THE ALLEN PARK NUCLEAR PLANT NEAR WALLIS, TEXAS. I HAVE NOT ATTEMPTED TO INTERVENE PREVIOUSLY BECAUSE I DID NOT KNOW THE LOCATION OF THE PROPOSED NUCLEAR FACILITY WAS WITHIN 15 OR 20 MILES FROM WHERE MY FAMILY AND I LIVE, NOR WAS I AWARE THAT I COULD PETITION THIS DUE TO THE LACK OF MEDIA ON THIS MATTER.

I HAVE BEEN INVOLVED IN THE DESIGN AND CONSTRUCTION OF OIL AND GAS REFINERIES FOR A NUMBER OF YEARS AND KNOW VERY WELL THAT NO MATTER HOW MANY SAFETY FACTORS AND WELL SPECIFIED MATERIALS THAT ARE SHOWN ON THE DRAWINGS, THE CLIENT OR THE CONTRACTORS ARE THE ONES TO BLAME FOR SUBSTITUTING THEM WITH SUB-STANDARD EQUIPMENT AND MATERIAL. IN OTHER WORDS, THE ONES WHO WILL PROFIT THE MOST IS NOT TOO CONCERNED WITH THE SAFETY OR FUTURE OF ANYONE LIVING AROUND OR WORKING IN THESE NUCLEAR PLANTS.

THE MATTER OF STORING RADIOACTIVE WASTE FROM THESE PLANTS AND OTHER NUCLEAR SITES HAS DANGEROUS PROBLEMS TOO. LIKE STORING IT IN CONTAINERS UNDERGROUND. THEY ARE NOT KIDDING ANYONE. EVERYONE KNOWS THAT RADIOACTIVE WASTE REMAINS AT DANGEROUS LEVELS FOR THOUSANDS OF YEARS. THE CONTAINERS ARE NOT GOING TO LAST MANY YEARS BEFORE THEY DETERIORATE AND CONTAMINATE

THESE AREAS AND THE ATMOSPHERE. JUST BEING OUT
OF SITE DOES NOT MEAN THAT YOU ARE SAFE BY ANY
MEANS.

I FEEL THAT THIS PROPOSED NUCLEAR PLANT,
ALONG WITH ALL THE OTHERS ARE A VERY GREAT
THREAT TO OUR ENVIRONMENT AND WELL BEING AND
THEREFORE I WOULD LIKE TO BE KEPT UP TO DATE
OF THE PROGRESS OF THIS PROPOSED NUCLEAR PLANT.

POOR ORIGINAL

THANK YOU
