Director, Region IV
Office of Inspection and Enforcement
611 Ryan Plaza Drive, Suite 100
Arlington, Texas 76102

Dear Sir:

South Texas Project
Units 1 & 2
Docket Nos. STN 50-498, STN 50-499
Bulletin No. 78-12B

Bulletin No. 78-12B, received March 27, 1979, requested each licensee to submit specific vessel information on atypical weld material to the NRC not later than May 29, 1979.

Houston Lighting and Power Company has been informed that Westinghouse requires five months to assemble the documents. Therefore, an extension of the May 29 deadline is necessary.

Houston Lighting and Power Company requests an extension of the deadline date to December 1, 1979.

Very truly yours,

E. A. Turner
Vice President
Power Plant Construction
& Technical Services
