Re: Skagit Nuclear Project Dock : Nos. 50.522 and 50.523

Dear Chairman Deale:

Please find enclosed intervenors' prefiled testimony as follows:

Michael Darland	Evacuation Planning
Paul Weber	Ranney Wells
Jim Lazar	Financial Qualifications

In other areas to be covered at this month's hearings, the witness availability problems described in our letter of June 29th have interfered with our ability to provide prefiled testimony at this time. We expect, however, to offer testimony later in the week as follows:

Professor Eric Cheney	-Geology of alternative sites
	-availability of B.C. coal
Ron Carstens	-comparative transmission costs, alternative sites
Professor Jack Maroka	-impacts of RPV delivery on Skagit River
Kurt Kramer	-impacts of RPV delivery on aquatic biota

In addition, we have requested the applicants to provide a witness qualified to address the suitability of West Roosevelt as a nuclear project site, and to present a copy of the West Roosevelt site evaluation report for submission into the record.

POOR ORIGINAL

Very truly yours,

Michael W. Gendler
