Re: Off Shore Power Systems  
Docket No. STN 50-437

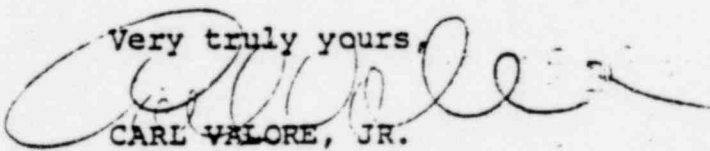

Dear Chairman Wolfe:

I have been directed by the Intervenor, Atlantic County, to take a passive role in the OPS proceedings.

You can appreciate that Atlantic County's central interest was the Atlantic Generating Station case and the siting of the proposed floating nuclear plants near Atlantic County in the Atlantic Ocean.

I did not want my failure to respond to motions and other matters to be construed unfavorably. Atlantic County will only assume an active role as an Intervenor as the OPS case progresses in circumstances that appear to effect Atlantic County's interest in a direct manner.

Very truly yours,

  
CARL VALORE, JR.
