**POOR ORIGINAL**

Dear Sir:

I am a resident of Middletown who lives approximately three miles from Three Mile Island Nuclear Station. I wish to participate in the federal hearings regarding the reopening of TMI Unit 1. I would like to present my testimony as a representative of P.A.N.E. (People Against Nuclear Energy) and as an interested citizen. I would like to express some of my group's concerns as well as some of the psychological effects on my family and neighbors.

I consider my input as important and valuable to this difficult decision-making process, and I hope that I will have the opportunity to voice my opinion.

Thank you for your consideration.

Sincerely,

*Barbara J. Heivly*
