Gentlemen:

The Georgia Power Company wishes to submit the enclosed information in response to your letter of August 31, 1979, requesting a statement concerning apparent items of noncompliance with NRC requirements identified during your inspections of June 6 and July 18-20, 1979, of Plant Hatch.

Since public disclosure of security information may jeopardize the safety of this facility, we request that the material submitted herewith be maintained as proprietary and withheld from public disclosure in accordance with the provisions of paragraph 2.790(d) of 10 CFR Part 2.

If you have any questions or comments in this regard, please contact my office.

Very truly yours,

J. T. Guarn
