

POOR ORIGINAL

Supporting affidavit to the PETITION FOR INTERVENTION of the Citizens for a Safe Environment, Harrisburg, Pa., the York Committee for a Safe Environment, York, Pa., and the Environmental Coalition on Nuclear Power, Philadelphia, Pa., in the matter of the operating license modification for Three Mile Island Nuclear Station, Unit 1, dated December 27, 1974.

Citizens for a Safe Environment is an unincorporated group of individuals who reside largely in the Harrisburg area of Pennsylvania. The members of this group feel that their health and safety, and that of their families, will be affected by the continued operation of TMI Unit 1. Similarly, they feel that their properties, real and otherwise, may be affected by continued operation of the plant. The interest and standing of this group to participation in licensing hearings has been determined in prior proceedings. Citizens for a Safe Environment participated in the operating license proceedings for Three Mile Island, Unit 1, November, 1973, and is an intervenor in the Three Mile Island, Unit 2 operating license proceedings.

Citizens for a Safe Environment, in a formal action, approved a resolution at its regular monthly meeting, January 15, 1975, that it wished to be represented in this proceeding by Dr. Chauncey Kepford, of York, Pa.
