Mr. Karl R. Goller  
Assistant Director for Operating Reactors  
Directorate of Licensing  
U. S. Atomic Energy Commission  
Washington, D.C. 20545

Dear Mr. Goller:

Docket No. 50-289  
Operating License DPR-50

Enclosed please find a copy of Revision 6 to the Three Mile Island Industrial Security Program. You will recall that in our August 30, 1974, letter to you we stated we would submit such a revision in order to correct apparent program deficiencies as listed in your August 20, 1974, letter. We trust that the information submitted herein satisfactorily addresses these concerns.

Please also note that in response to your letter dated September 6, 1974, we have scheduled meetings with security system vendors; and we presently anticipate being able to provide you with a more definite schedule for implementation of a finalized security plan by October 25, 1974.

Due to the confidential nature of this information, we ask that it be treated in a proprietary manner.

Sincerely,

R. C. Arnold  
Vice President
