SUBJECT: THREE MILE ISLAND NUCLEAR STATION  
UNIT 1  
DOCKET NO. 50-289

Dear Mr. Giambusso:

A recent reevaluation of the Three Mile Island Nuclear Station Unit 1 construction status indicates that the currently listed fuel loading dates should be changed from April 1973 to September 1973.

Should there be any further questions regarding this revised schedule please do not hesitate to contact me.

Very truly yours,

J. G. Miller  
Vice President
