Re: Contract No. AT(49-5)-2667
Three Mile Island Nuclear Station - Unit 1
Metropolitan-Edison Company and
Jersey Central Power and Light Company
AEC Docket No. 50-289

Dear Mr. Case:

Dr. N. M. Newmark, Dr. W. H. Walker, and I have reviewed the Final Safety Analysis Report for Three Mile Island Nuclear Station - Unit 1. In line with our development of a new approach to finalizing our review of the FSAR, we are attaching herewith a draft of our commentary which, when it is completed, will form the basis of our separate final FSAR report on this facility.

As you will note from the commentary there are still a number of points to be clarified and we shall be pleased to discuss these with members of your staff as appropriate.

Sincerely yours,

W. J. Hall
