DEPARTMENT OF JUSTICE RESPONSE TO THE JOINT MOTION
OF CONSUMERS POWER COMPANY AND INTERVENORS
SUPPORTING IMPOSITION OF LICENSE CONDITIONS

Pursuant to the Commission's Rules of Practice, 10 C.F.R.
§ 2.730 the Department of Justice submits this response to
the JOINT MOTION OF CONSUMERS POWER COMPANY AND INTERVENORS
SUPPORTING IMPOSITION OF LICENSE CONDITIONS.

The Department has reviewed the joint motion and the
"Midland Nuclear Power Station, Units 1 and 2 Proposed
License Conditions" attached to the motion, as well as the
sidebar arrangements between Consumers Power Company and
Intervenors implementing those license conditions. The
Department agrees that attachment of the subject license
conditions to the Midland licenses will assure that Con-
sumers Power's activities under the licenses will not
create or maintain a situation inconsistent with the anti-

trust laws and will allow this antitrust proceeding to be terminated by settlement among all parties.

Respectfully submitted,

Donald L. Flexner
