Docket No. 50-267

Attention: Mr. Karl V. Seyfrit
Director

Subject: Packaging of Low Level
Radioactive Waste for
Transport and Burial

Dear Mr. Seyfrit:

Letter P-79229 was sent by Public Service Company of Colorado in response to I&E Bulletin 79-19. Additional response to items 7 and 8 of this bulletin follows:

7. A management controlled audit function covering transfer, packaging and transport activities associated with low level radioactive waste has been implemented.
8. An audit which included a review of low level radioactive waste transfer, packaging and transport was conducted September 24-26, 1979. The audit report is available for future review.

Sincerely,

O. R. Lee
Vice President
Electric Production
