Samuel Chilk, Secretary  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Secretary Chilk,

I wrote to the NRC on 11 Oct. 1979 and requested to make a limited appearance statement at the reopening hearings on Three Mile Island nuclear power plant, docket number 50-289. I have not heard anything about the receipt of my letter by the NRC.

I still wish to make the limited appearance statement for docket number 50-289, and would appreciate it if you would notify me as to when and where the hearings will be held and specifically when I will be allowed to speak. I am sending this letter by certified mail and will be anxiously awaiting your reply.

Thank you very much.

Yours truly,

*Toni Brink*
