RELATED CORRESPONDENCE

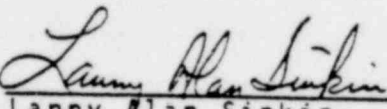

To: All Parties to the Atomic Safety and Licensing Board Hearing in the matter of Houston Lighting and Power Company, et al (South Texas Project, Units 1 and 2); Docket Numbers 50-498 and 50-499

From: Citizens Concerned About Nuclear Power and Citizens for Equitable Utilities, Inc.

On November 11, 1979, the San Antonio Express News reported that United States Attorney Anthony Canales had closed the Federal Bureau of Investigation inquiry into the South Texas Nuclear Project and that Mr. Canales had turned the results of the inquiry over to the Nuclear Regulatory Commission. As this information was not available at the time the original Interrogatories and Request for Documents was submitted by the Intervenors, the additional Request for Documents enclosed herein was prepared for these proceedings.
