Docket Nos. 50-404  
50-405

Dear Mr. O'Reilly:

On October 15, 1979, Virginia Electric and Power Company announced that it is undertaking a feasibility study of North Anna Units 3 & 4. This action was prompted by the growing uncertainties associated with the construction and operation of nuclear power plants. We estimate that this study will take about six months to one year.

The purpose of this letter is to advise you regarding all outstanding items reported under 10CFR50.55(e) and Part 21; below is a list of these items.
