Re: License No. 47-05322-02, change of management

Dear US NRC:

This letter is to notify you in accordance with 10 CFR § 30.34(b)(1) that Wheeling Hospital has changed its management upon the retirement of our former CEO, Ron Violi. On June 20, 2019, the Board of Directors of Wheeling Hospital announced that they have entered into a management services agreement with the West Virginia University Health System (WVU Medicine) and named Douglass E. Harrison as Wheeling Hospital's new chief executive officer.

Under the agreement, WVU Medicine will provide management services to the hospital, while Mr. Harrison will oversee all hospital operations. Wheeling Hospital's Board of Directors will continue to govern the hospital, with final responsibility for quality of care and financial oversight. Kareen Simon, who has been serving as interim CEO, will return to her former position as executive vice president and chief operating officer for the hospital.

If you have any questions about this notification, please refer to our Radiation Safety Officer, Dr. Wayne Butler, at 304.243.3983 or email him at wbutler@wheelinghospital.org.

Best regards,

Wayne M. Butler, PhD
