In the Matter of
New York State Electric & Gas Corporation
and Long Island Lighting Company,
(New Haven Station Units 1 & 2)
Docket Nos. 50-596 and 50-597

Gentlemen:

On April 5, 1979, Counsel for New York State Electric & Gas Corporation received the "NRC STAFF ANSWER TO PETITIONS TO INTERVENE FILED IN COLUMBIA/ULSTER COUNTY AREA" dated April 2, 1979 wherein the Staff indicates that the Town of Gardiner and the Ulster County Environmental Management Council filed separate petitions to intervene dated March 13 and March 15, 1979, respectively.

In the apparent absence of service of these petitions by the petitioners, I today telephoned Daniel T. Swanson, Esquire, Counsel for NRC Staff, and requested a copy of each of these petitions.

Sincerely,

& GAS CORPORATION
