Good morning Mike,

I took a quick look at the Bridgeport amendment and would like some additional information:

1. A letter stating Lawrence Saperstein's qualifications (like James Yu's); and
2. Dr. Zhang's preceptor attestation is missing some information. Specifically, Section 3.b. is missing the total hours, Section 3.d. is missing the total hours, and Part II, Third Section was not completed.

As soon as you can get this information to me, I can complete the amendment.

Thanks,
