Re: **Freedom of Information Act Request**

Dear FOIA Officer:

Pursuant to the Freedom of Information Act ("FOIA") and the U.S. Nuclear Regulatory Commission's (NRC's) implementing regulations in 10 C.F.R. Part 9, Morgan, Lewis & Bockius LLP hereby requests:

Any and all records including, but not limited to, analyses, inter-office correspondence, documents, emails, notes, differing professional opinions, etc., related to the NRC's inspection and enforcement involving the Clinton Power Station in reference to the NRC's "Final Significance Determination of a White Finding" and NRC Inspection Report Numbers 05000461/2018051 and 05000461/2018092.

I ask that you expedite this request to the maximum extent practicable. Expediting is appropriate in this instance because the referenced matter requires a response to the NRC within a near timeframe. For Morgan Lewis to support this response, it requires prompt access to this information. Morgan, Lewis & Bockius agrees to pay all reasonable charges associated with this FOIA request. Please contact me at 202-739-5348 or at thomas.poindexter@morganlewis.com with any questions regarding this request.

I look forward to hearing from you in the near future.
