Supplementary Response to IE Bulletin No. 79-08

Ref. a) Boston Edison Company letter to Mr. Boyce Grier
dated April 25, 1979 titled "Response to IE
Bulletin 79-08"

Dear Sir:

Boston Edison Company's initial response to IE Bulletin 79-08 (Ref. a) included Items 1-10. Item 11 was to be addressed in a subsequent letter within 30 days of the date of the Bulletin and is as follows:

Item 11

Propose changes, as required, to those Technical Specifications which must be modified as a result of your implementing Items 1-10.

Response

No Technical Specification changes were required as a result of implementing Items 1-10. However, certain Station Procedures required modification and have been changed accordingly.

Should you have any further questions or concerns please do not hesitate to contact us.

Very truly yours,

cc: Director
Office of Inspection and Enforcement
Division of Reactor Operations Inspection
