Said motion is made in consideration of 10 C.F.R. section 2.713 (a) which allows a party to be represented by itself (its members in the case of an organization) or by an attorney. MVPP makes said motion because its members, including the attorneys, are providing volunteer time. Thus it will be impossible due to work schedules, for members, including attorneys to be present at all times during the prehearing conference and hearings. The above names individuals and the three attorneys, Mr. James Feldman, Mr. Steven Shane, and the undersigned are all familiar with the contentions raised by MVPP and have been working on them. Thus no unnecessary confusion would result from the granting of this motion. However, to deny the motion would place a great hardship on MVPP, a volunteer citizens organization working without any substantial funding. The motion should be granted for the above stated reasons.

Dated May 16, 1979

Respectfully submitted,

Leah S. Kosik
