Reracking Application
Docket No. 50-272

Dear Chairman Milhollin:

I have enclosed herewith the brief on behalf of the Intervenor, Colemans, in opposition to the Staff's objection to the Board's consideration of the impacts of a Class Nine accident on the Salem One spent fuel pool.

The States of Delaware and New Jersey, admitted to this proceeding as interested States, have joined in this consolidated opposition to the staff objection.

The Department of the Public Advocate respectfully requests oral argument on this matter.

Respectfully submitted,

Keith A. Onsdorff
