Docket No. 50-334  
License DPR-66

Dear Ms. Diggs:

As requested in your letter of July 3, 1979 to Mr. E. J. Woolever, enclosed is the requested Class III fee of \$4,000.

This fee did not accompany our submittal of March 22, 1979 for review and approval of our Safeguards Contingency Plan for Beaver Valley Unit No. 1, because our evaluation was that the fee was not required.

Sincerely,

G. W. Moore  
General Superintendent  
Power Stations Department
