July 13, 1979

Mr. Robert Benedict
Project Manager
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Re: Forked River Nuclear Generating Station

Dear Mr. Benedict:

This will confirm my telephone request of today in which I asked for a copy of the summary of your June meeting with JCP&L Co. regarding renewal of its Forked River Nuclear Generating Plant Construction Permit.

Thank you for your attention to this matter.

Very truly yours,

KEITH A. ONSDORFF
ASSISTANT DEPUTY PUBLIC ADVOCATE
