Dear Mr. Murphy:

The referenced inspection report transmitted by your letter dated June 12, 1979 has been reviewed for proprietary information. It is Alabama Power Company's position that information concerning allegations that are not resolved be withheld as proprietary information until resolution. Items 6.b.2, 6.o and 6.p of the subject report are in this category. It is, therefore, requested that these items be withheld from public disclosure until resolution.

Sincerely yours,

*F. L. Clayton, Jr.*
