ACCEPTANCE OF NOTIFICATION OF INTERIM RSO COVERAGE, MAIL
CONTROL NOS. 613723 AND 613725

Dear Mr. Adams:

This is in reference to your letter dated July 18, 2019, notifying the NRC that you have interim coverage of RSO activities by qualified individuals during the process of replacing the named RSO who left June 7, 2019. We understand that you expect to complete the hiring process by mid-September. If the hiring process is likely to take longer than you expect, you should amend the license to name a qualified individual on the license, even if temporary.

Thank you for your cooperation in this matter.

Sincerely,
