Dear Mr. Denton:

This is to confirm a request we made today to extend our response date to the reference letter from July 30, 1979, to August 20. In a telephone conversation with Mr. Fred Allenspach of Mr. Walter P. Haass' office, I indicated our need to extend the response date. Mr. Allenspach advised me that we should make every effort to respond by August 13. I assured him we would do our best to meet that date.

Should you have any questions, I would be glad to discuss them with you.

Very truly yours,

VERMONT YANKEE NUCLEAR POWER CORP.
