RE: Radioactive Materials License # 24-26415-01

Mr. Strohmeyer,

This letter is to clarify the answer to question number 1 regarding the transfer of control application. *Question #1 – Describe any planned changes in the organization, including but not limited to, transfer of stocks or assets and mergers, changes in Board of Directors, etc. Provide the new licensee name, mailing address, and contact information, including phone numbers. Clearly identify when the amendment request is due to a name change only.*

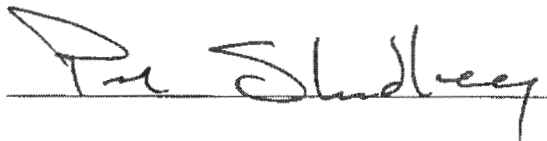

This letter is to notify you of a change in control of our materials license. SSM Health St. Francis Hospital-Maryville, including all assets have been sold to Mosaic Life Care, St. Joseph, Missouri. This buyout took effect on April 1, 2019. The RSO, Dr. Jose Alvarez will continue as the RSO and all staff will continue as prior to the buyout. The appropriately amended license should designate "Mosaic Medical Center – Maryville" as the controlling party. The address, facility, practice and particulars of the license remain the same. The Board of Directors will consist of leadership from Mosaic Life Care and community members from local businesses in Maryville, Missouri.
