Laura,

I am reviewing the amendment request for license no. 21-01190-05 and additional information is needed. Please answers the following questions and any additional information with a signed and dated cover letter by August 6, 2019.

- 1) The licensing commitments required are not provided are in part or incomplete. Provide all commitments required in full from the licensing guidance.
- 2) No authorized users were included and are required for this type of use.

Also note, that this type of use is a separate material listed on the license; therefore, it will have a specific activity limit as indicated from the SSDR.

If you have any question please contact me at your convenience.

Respectfully,

*Daniel C. Strohmeyer, CHP*
