Subject: General License Report for Previous Calendar Quarter, License # 53-0724

Dear GLTS Coordinator,

In accordance with 10 CFR 32.52, Thermo Process Instruments L.P. is providing this quarterly report for your review. This report is provided to the US Nuclear Regulatory Commission, and pertinent portions are provided to each Agreement State as required above. Please note that this report contains all domestic general license distributions and may include those made to licensees in Agreement States but licensed by the NRC due to Exclusive Federal Jurisdiction.

The generally licensed devices listed in the attachment to this letter were distributed from the Thermo Process Instruments L.P. facility at the address above under the provisions of Massachusetts radioactive materials license # 53-0724.

If you have any questions regarding this report, please contact Roy Piatelli at (508) 553-1124.

Sincerely,

Roy Piatelli
Radiation Safety Officer
