SUBJECT: WESTINGHOUSE PHYSICAL SECURITY PLAN, REVISION 47

Westinghouse Electric Company LLC (Westinghouse) is submitting for NRC approval and an appropriate license amendment in accordance with 10CFR70.34, the enclosed Physical Security Plan (PSP) revision for the Columbia Fuel Fabrication Facility. The PSP revision is contained in Enclosure 2. The changes within the document are identified by marginal lines, with descriptions and rational for the changes provided in the revision record.

Westinghouse has evaluated the changes (as documented in Enclosure 1) and concluded that this revision does not decrease the effectiveness of the plan. This revision is administrative in nature and is related to safeguards matters.

If you have any questions or comments, or if we can be of further assistance, please do not hesitate to contact me at (803) 647-2119 or the Westinghouse Security Manager Bill Mattern at (803) 647-3210.

Sincerely,

Gerard F. Couture
Licensing Manager, Acting
Westinghouse Columbia Fuel Fabrication Facility
