Subject: Addition of Reed Cope MD as an AU for 10 CFR 35.600 material, License no. 24-32604-01, Missouri Cancer Associates, CN613837

Good morning,

I have reviewed your request dated 8/7/19 to add Dr. Cope as an Authorized User (AU) for the use of 10 CFR 35.600 material.

I need to verify that Jianling Yuan, MD, Margaret Reynolds MD and Kathryn Dusenberg MD are AUs for the use of HDRs.

Please submit a signed letter from Brian J. Vetter, RSO, Radiation Safety Officer, license no. 1049-300-27, University of Minnesota confirming that Jianling Yuan, MD, Margaret Reynolds MD and Kathryn Dusenberg MD are Authorized Users for the use of high dose rate remote afterloaders (HDR) on license no. 1049-300-27 from (State DATE when each of the AUs was authorized).

You may submit the signed and dated letter directly to me via email.

Please let me know if you have any questions.

Thank you
