Dear Chairman Svinicki:

This letter is in response to your April 2 letter requesting the appointment of a State Liaison Officer.

I am pleased to reappoint Ms. Cynthia L. Becker, Chief, Bureau of Radiation Control, Department of Health as the State Liaison Officer. She will serve as the primary communication channel between Florida and the Nuclear Regulatory Commission. She will be responsible for sharing information with other state officials who have a "need to know" and will protect sensitive information from unauthorized disclosure.

We look forward to our continued partnership regarding nuclear and radiological health, safety, security, and environmental issues. If you have any questions, please contact Ms. Becker at (850) 245-4266 or via email at [Cindy.Becker@flhealth.gov](mailto:Cindy.Becker@flhealth.gov).

Sincerely,
