MIDLAND PROJECT  
DOCKET NO 50-329, 50-330  
IE BULLETIN 79-04  
FILE: 0505.12 SERIAL: 7020

We have reviewed IE Bulletin 79-04 on "Incorrect Weights for Swing Check Valves Manufactured by Velan Engineering Corporation", and we do not utilize swing check valves manufactured by Velan Engineering Corporation for Midland Plant Units 1 and 2. We have also verified that our vendors did not supply them in their systems.
