Gentlemen:

Pursuant to Mr. Reid's letter of June 13, 1979, the Off-site Dose Calculation Manual for ANO is attached.

Pursuant to our July 2, 1979, conversation with members of your staff, we will delay addressing a technical specification on solidification until after we receive a letter from the staff addressing the concerns expressed in our March 9, 1979, letter. Furthermore, we will address the need for a Process Control Program (PCP) after we receive that letter from you.

Very truly yours,

David C. Trimble
