Proposed Technical Specification Changes

Dear Sir:

Pursuant to Section 50.90 of the Commission's Rules and Regulations, Boston Edison Company hereby proposes the following modifications to Appendix A of Operating License No. DPR-35. The desired changes are represented as attachments A - H to this letter, and in accordance with 10 CFR 170.22 "Schedule of Fees for Facility License Amendments", we propose that this is a Class IV Amendment, since it consists of several changes of the Class II and III type incorporated into the proposed amendment. Accordingly, please find a check for the amount of \$12,300.00 enclosed with this submittal.

Should there be any questions concerning this request, please contact us.

Very truly yours,

A F Corry
