TO THE NUCLEAR REGULATORY
COMMISSION, WASHINGTON, D.C. AND
THE NEW YORK STATE PUBLIC SERVICE
COMMISSION, ALBANY, N.Y.

REQUEST TO BE AN INTERVENOR IN THE
PROCEEDINGS ON THE PROPOSED STUYVES-
ANT NUCLEAR POWER PLANT. by
EMERSON MEAD, GILBOA, N.Y. 12076

I, EMERSON MEAD, HEREBY REQUEST
TO BE AN INDIVIDUAL INTERVENOR IN THIS
PROCEEDINGS. THIS IS THE FIRST PUBLIC
HEARING THAT I HAVE KNOWN ABOUT TO
DISCUSS THIS PROPOSAL BY THE TWO
GOVERNMENTAL AGENCIES. I FEEL THE
UNITED STATES GOVERNMENT HAS FAILED
TO PROPERLY WARN CITIZENS OF THE
NUCLEAR DANGERS. I REQUEST FUNDS
BE MADE AVAILABLE TO ALL INTER-
VENORS TO COVER LEGAL AND OTHER
EXPENSES. NO INTERESTED PERSON SHOULD
BE DENIED THE RIGHT TO BE AN
INTERVENOR. I AM VERY MUCH

CONCERNED ABOUT ALL PEOPLE WITHIN FIFTY MILES OF STUYVESANT AS THIS IS A REAL DANGER ZONE IN CASE OF A MELT DOWN. AND A MUCH LARGER AREA WOULD BE IN DANGER DEPENDING ON THE WIND SPEED AND DIRECTION.

AS TOWN SUPERVISOR IN THE TOWN OF CONESVILLE, SCHOTARIE COUNTY, GILBOA N.Y. 12076, I REQUEST THE TOWN BE ADMITTED AS AN INTERVENOR. THE TOWN IS THIRTY FIVE MILES FROM STUYVESANT AND IN THE DANGER ZONE. I REQUEST THIS AS THE HEALTH OF PRESENT AND FUTURE RESIDENTS WILL BE ENDANGERED IF THIS PROPOSED NUCLEAR POWER PLANT IS BUILT. THE TOWN'S WATER SUPPLY, FARM LAND, THE PEOPLE AND THEIR HOMES WOULD BE IN DANGER AND NO DOUBT DESTROYED BY A NUCLEAR MELT DOWN AT STUYVESANT.

I, REQUEST PERMISSION TO ADD
ON OTHER REASONS FOR INTERVENTION
AT A LATER DATE.

I ONLY RECENTLY HEARD ABOUT THIS
HEARING AND HAVE NOT HAD A CHANCE TO
DISCUSS THE CASE WITH TOWN RESIDENTS.
IN FUTURE NUCLEAR POWER PLANT
HEARINGS ALL LEVELS OF LOCAL
GOVERNMENT SHOULD BE NOTIFIED
OF THE HEARING DATES IF THE COUNTY
TOWN OR VILLAGE IS WITHIN FIFTY
MILES OF THE PROPOSED SITE. IT IS
IMPORTANT THAT FUNDS BE PROVIDED
FOR ALL INTERVENORS.
