Request for Licensing Review Fee

Dear Sir:

Subject: Licensing Review Fee For Vermont Yankee Security Contingency Plan

Pursuant to Section 170.22 of 10CFR Part 170, enclosed is a Class III payment of \$4000.00 to cover the costs associated with the licensing review and approval of the Vermont Yankee Security Contingency Plan which was submitted in Reference (b). This fee was requested in your letter Reference (c).

Vermont Yankee Nuclear Power Corporation believes that the NRC revised fee schedule is illegal. We are aware that this fee schedule is being contested before the U. S. Court of Appeals for the Fifth Circuit and therefore submit the enclosed fee under protest without waiving our right to contest the validity of this fee or the entire NRC fee schedule, and without waiving any right to recover, in whole or in part, all fees paid or to be paid under the invalid fee schedule.

Should you have any questions relative to this matter, please contact us.

Very truly yours,

VERMONT YANKEE NUCLEAR POWER CORPORATION
